

Candidate Questionnaire

October 2018

Food Lifeline’s goal is to elevate the issue of hunger with candidates during the election cycle. Each candidate for state and federal office received our questionnaire. For every candidate that replied, their original responses are presented as submitted. See results at foodlifeline.org/advocacy.

|--|---|
| If elected, what will you do to end hunger, alleviate poverty, and create opportunity in Washington state? | I fully support your organization and its work. As a youth, I worked in a grocery store and saw the tremendous waste of food that was thrown out because it didn't look nice. |
| In Washington, 1 in 5 children experience food insecurity. What steps or legislative actions would you take to address child poverty and hunger? | I'll support school breakfast and lunch programs |
| Food insecurity is a major contributor to poor health and higher healthcare costs, what steps or legislative actions would you take to help food insecure people with chronic diseases, like diabetes, have access to nutritious food? | Support collection of slightly blemished fruits and vegetables from grocery stores to distribute to food banks and those in need. |
