

AGENCY EXPRESS 3.5

a guide to online ordering

KEYS TO SUCCESS

- ✓ **Know your order window.** All order windows are:

7:00 am – 3:00 pm TWO business days prior to scheduled pickup/delivery day. *For a complete list of online ordering windows, please see the last slide of this manual.*

- ✓ **Order within your order window.** Food Lifeline will be unable to process orders placed outside of the order window. Reasonable accommodations may be made for order window changes under special circumstances; if this applies to you please contact a member of Agency Relations at (206) 545-6600 as soon as possible.

- ✓ **Know your online ordering account login information.** Store your online account information in a safe and easy-to-locate place. Make sure someone else in your organization knows where this place is in the event that you are not available during a given order window. *There is space at the back of this manual to store your username, password, and program code.*

- ✓ **Submit your cart!** If you do not click “Submit Cart” after reviewing your order, Food Lifeline will not receive your order. Be sure to fully read the pop-up window that appears, and confirm that all items were accepted. If they were not, you must manually remove items from your cart and click “Submit Cart” again. Wait for confirmation that your order was submitted successfully.

- ✓ **Carefully follow the instructions in this manual.** Feel free to refer to this manual if you are having trouble ordering – your answer will likely be inside!

- ✓ **Having trouble ordering? Contact a member of Agency Relations.**

Agency Relations staff can help with any online ordering need and can be reached at: (206) 545-6600 or AgencyRelations@foodlifeline.org.

HELPFUL HINTS

- ✓ You must click "add to cart" on each page before moving to the next page of the inventory list. If you have selected items from page one and do not add them to your cart before moving to page two, the items will **not** be added to your cart.
- ✓ Items are **NOT** requested until you "submit cart". Food Lifeline will not be notified of your item requests until this step is taken.
- ✓ You can star items as "Favorites" and search by this category to view items you like to order, when available

SHOPPING (CONTINUED)

MP Only & Bulk Warning

- ✓ Products with "**MP Only**" in the description are restricted to meal programs, for one of three reasons:
 1. Because a donor has stated that they will only donate if the product is distributed to only congregate feeding sites.
 2. Because the product is in bulk packaging (a distributable unit of 15lbs or higher) and is a product type that is deemed unsafe for repack at the pantry level (such as meat, liquids, dairy products).
 3. Because the product has distributable units that are not individually labeled (Note: see the Fair Packaging and Labeling act).
- ✓ Products with "**Bulk Warning**" in the description have distributable units of 15 pounds or greater (not including fresh produce), and thus should be ordered by food banks with caution. Please only order if you can safely repack the product into smaller units or if you can distribute as is to larger families.

SHOPPING (CONTINUED)

How much should I order?

- ✓ We recommend that you order only enough product for the week's distribution.
- ✓ Please also be mindful of your transportation capacity.
- ✓ In the event that orders need to be cut, product will be prioritized in the following order: Purchased product (*will not be removed from orders*), Refrigerated and Freezer product, Dry product (*will be the first to be removed from orders*). When deciding which product(s) to cut, we will consider the nutritional value of the items.

CHECKING OUT MY APPOINTMENT

You must enter a Pickup/Delivery Date and Time before you submit your cart.

When entering information into the “my appointment” box you will need to enter information from left to right. If it is entered out of order, it will not be accepted and you will have to re-enter the information. The delivery/pickup date and time are pre-scheduled by Food Lifeline, based on your ongoing pickup/delivery schedule. Click on the available option (in green).

The sequence you will need to follow when completing the “My Appointment” box is:

1. Select Pickup or Delivery

PICKUP If you receive your Food Lifeline order via another party (Solid Ground, South King County Food Coalition, etc.) or at our Seattle Distribution Center you will need to select “Pickup”. This is true for most King County agencies.

DELIVERY If you receive product via a Food Lifeline delivery truck that goes outside of King County, you will select “Delivery”.

If an incorrect selection is made, you will see no options for date and time. Please re-select the appropriate delivery/pickup option.

2. Select Date Click on the calendar and select the option highlighted in green (your next regularly scheduled date).

3. Select Time

4. Use the “Comment” section to communicate any special instructions to the Distribution Department

The screenshot shows a user interface for scheduling an appointment. At the top, there's a title 'My Appointment'. Below it, a reference number 'R01885628' is displayed in green. A dropdown menu for 'Delivery' is open. To the right, there are fields for 'Pickup/Delivery Date:' and 'Time:', each with a calendar and clock icon respectively. A large text area labeled 'Comment' with a character limit of 150 is present at the bottom, with a note about truncating long comments. Arrows from the numbered steps on the left point to the corresponding fields and sections in the screenshot.

After you have updated "My Appointment", review your order. You can either make adjustments or submit your cart.

- Once your order is submitted you may review it in “Order Management”. This is also a good place to check to be sure your cart was submitted; an order will appear here once the cart is submitted.
- By submitting your cart, you are **requesting** these items. It is only once your order hits the database that it can determine if you got the cases you requested or if another agency already got those items.

FREQUENTLY ASKED QUESTIONS

Q: Why didn't I receive what I ordered?

A: This can happen for several reasons:

- ✓ Inventory is often viewed by multiple programs at one time. An item may be ordered by another agency while you are still shopping, or items may have been requested at virtually the same time.
- ✓ Products are not fit for distribution at the time the order is picked (especially with perishable products). This would likely be due to spoilage, damage, dating, or other conditions that would make a product unfit for consumption.
- ✓ You requested more cases than the "Maximum Quantity" listed for this product.
- ✓ If you are a food bank ordering "Meal Program Only" items they will be manually removed from your order. This policy exists out of respect for our donor guidelines.
- ✓ Occasionally, inventory in the warehouse has been miscounted and the amount listed online did not accurately reflect the number in the warehouse.
- ✓ If the agencies sharing your truck collectively ordered more than the truck's capacity to deliver, we will cut items from each agency's order, beginning with the least nutritious.

Q: When can I view a list of the actual items I will receive on my order?

A: Orders are processed after the close of the order windows at 3:00 pm each day. Your order, including any adjustments, will be posted by 12:00 pm the following day (one day prior to your pickup or delivery). For agencies within King County: TEFAP, Bulk Buy, and other allocated products are not viewable in this screen until they have been invoiced, after pickup.

Q: I am going out of town and am not sure if I will have internet access. How will I place my order?

A: Contact a member of Agency Relations at (206) 545-6600 and we can assist you in placing your order over the phone.

FREQUENTLY ASKED QUESTIONS

Q: How do I print a copy of an order that I have placed?

A: Past orders can be viewed and printed in the “Order Management” section. See page 17 of this manual.

Q: Why do we have order windows and how do they work?

A: Order windows allow Food Lifeline to manage the volume of orders and product packing so we can best distribute food to our nearly 300 member agencies. A given number of agencies order each day between 7:00 am – 3:00 pm, based on pickup/delivery days. When the order window closes, a member of our Distribution Staff processes each order and makes any necessary adjustments. He/she prepares and prints the “pick tickets” for all of the orders placed during the order window, as well as the “master pick” for orders going outside of King County (the master pick is created in order to maximize the amount of product that can be shipped on our delivery run). This staff person makes sure all of the orders are ready for our warehouse staff to pick the following morning beginning at 5:00 am. In the day prior to your pickup/delivery, our warehouse staff packages all of the orders to be shipped out on your pickup/delivery day.

Q: What should I do if I missed my order window?

A: We are unable to process orders placed outside of the order window in time for your regularly scheduled pickup or delivery; however, we understand that everyone gets busy and forgets occasionally. Contact a member of Agency Relations, and we will make reasonable accommodations to reschedule a new pickup day at our Seattle Distribution Center, or put together some items to tide you over until your next order. We will do this to the best of our ability, but please be aware that we may not always be able to accommodate these requests.
