Crowdrise Online Donation Page

We want to make it easy for you to raise funds through Food Frenzy! Your Company's online donation page is through a site called Crowdrise. This includes a unique URL link to share with your employees and community and all donations go directly to Food Lifeline.

These pages allow you to tell your story and track all online donations coming in for your company. To make it easier, your page is already built. You will be able to edit your information as well as add pictures or video. An email will be provided by Food Lifeline's Corporate Relations Coordinator, Tobi Shannon, with your login information.

Fundraising officially starts August 1, 2018. All fundraising pages will be available May 1, 2019 unless you have requested your Crowdrise page earlier. Simply share the unique URL for your page and ask donors to click "DONATE TO YOUR FUNDRAISER". Remember, all the money raised will tally up on your company's fundraiser and will count toward your Food Frenzy points! Look for more resources and emails from us along the way that will help you in your fundraising and Food Frenzy efforts!

There will be two live Crowdrise Webinars scheduled this Spring; May & June.

If you need help setting up your page, please email [Crowdrise](#). If you have questions about Food Frenzy, please email [Leeann Huntington](#).

Pages will be available for editing after May 1, 2019.
