LIFELINE**
HUNGER DOESN'T HAVE TO HAPPEN

LET'S END HUNGER TOGETHER THIS SUMMER FOR GOOD

This summer, neighbors facing hunger are at even greater risk. With inflation, budgets are stretched to the breaking point, and buying food is often last on the list. Together, we can help bridge the hunger gap for kids and families in summer and all year long.

Food Lifeline firmly believes that food is a human right that should be available to all people. We know that food assistance is one part of the answer, and we also know that it will take an entire community, rather, an entire movement to end hunger.

Businesses have a vital role to play in our mission to end hunger. Partner with Food Lifeline and join us in tackling hunger's root causes, including poverty, systemic racism, and rampant inequity. Together, we can ensure that our communities are fed, uplifted, and empowered.

FOOD FRENZY

SPONSORSHIP BENEFITS

Food Frenzy is a creative competition between local businesses and community groups to raise funds, collect food, and volunteer with Food Lifeline, all while raising awareness of hunger in our region. Drawing together nearly 5,000 individuals and nearly 80 organizations in the Puget Sound area, this is one of Food Lifeline's largest fundraising events.

MATCH DAY SPONSORS

Sponsors, your organization will help drive donations during the single largest fundraising day of the Food Frenzy competition – Online Match Day is July 25. Your sponsorship will be used as a match to encourage donors to give. During Food Frenzy 2022, Match Day raised \$160,000 in a single day, helping to increase access to nutritious, culturally relevant food for families during the summer months.

YEAR ROUND SPONSORSHIP OPPORTUNITIES

Employee Giving Programs

Employees can make tax-deductible donations to Food Lifeline through payroll contributions at work. Companies can match gifts or simply offer the opportunity to their employees. We partner with large and small companies each year typically at year's end or during the benefit renewal cycle. Custom options are available.

Match Pool

We invite you to participate in a match pool that inspires others to give, typically doubling the impact of any individual contribution. Opportunities occur throughout the year, including in November and December during our Together To End Hunger campaign, you can inspire others to act to ensure we have robust financial support to accomplish our mission.

Virtual Food Drive

Help us provide more of the food that our community wants and needs by hosting a virtual food drive. While traditional food drives can result in items we already have good access to or sometimes even less healthy food, a virtual food drive helps Food Lifeline ensure we are distributing the foods people want and need. Online food drives offer another advantage: contagious giving. Donors are more likely to participate if they see their friends and family giving.

Pantry Staples Food Drives

Whether at your place of business or among many branches, host a food drive for shelf-staple pantry staples or traditional and culturally relevant foods in order to ensure all our guests are able to create familiar and traditional foods for their holiday tables.

Retail Promotions

Food, drink, and clothing brands have long supported Food Lifeline via displays, in-store cash register and digital promotions. Retail activations are a great way to support our work while raising awareness about hunger in our community. Promotions may focus on contributions generated by sales of a particular product, a percentage of sales, or a simple suggested donation at the register.

Custom

Food Lifeline specializes in designing unique, custom campaigns. We recognize that each company has its own character and culture. We are committed to working toward aligning our goals for the community with the unique talents and diversity our partners bring to our table. Want to donate in lieu of an event? Have a "wild" idea? Get in touch, we'd love to hear it!

Event Sponsorship

Show your support to a large network of donors and community members through event sponsorship. We host our signature gala "Savor" in March, "Stamp Out Hunger," with the USPS in May, "Dress Down Hunger" community celebration in October, and "Together to end Hunger" holiday campaign.
